This report contains forward-looking statements. Actual results and events could differ materially from those projected, anticipated, or implicit, in the forward-looking statements as a result of the risk factors set forth below and elsewhere in this report.

With the exception of historical matters, the matters discussed herein are forward-looking statements that involve risks and uncertainties. Forward-looking statements include, but are not limited to, statements concerning anticipated trends in revenues and net income, projections concerning operations and available cash flow. Our actual results could differ materially from the results discussed in such forward-looking statements. The following discussion of our financial condition and results of operations should be read in conjunction with our financial statements and the related notes thereto appearing elsewhere herein.

Overview

Hesperia Holding, Inc. (formerly Saveyoutime.com, Inc.) entered into a merger agreement dated January 20, 2003 (the "Merger Agreement") with Hesperia Holding Corp., a California corporation. Pursuant to the terms of the Merger Agreement Hesperia Holding Corp. merged with and into Hesperia Holding, Inc. on April 10, 2003.

The Merger was consummated on April 10, 2003, at which time a Certificate of Merger was filed in the State of Nevada and State of California. Under the terms of the Merger, the Company issued Ten Million Four Hundred Fifteen Thousand Eight Hundred Forty-Five (10,415,845) shares of its common stock to the stockholders of Hesperia Holding Corp. in exchange for 100% of the issued and outstanding common stock of Hesperia Holding Corp. The then sole stockholder of the Company retained 50,000 shares of common stock and cancelled 6,454,370 shares resulting in 10,465,845 being issued and outstanding. The shares of common stock were issued unrestricted without registration under the Securities Act of 1933, as amended (the "**Securities Act**"), in reliance upon the exemption from registration provided by Section 3(a)(10) of the Securities Act. Concurrent with the filing of the Certificate of Merger, the Company changed its name to Hesperia Holding, Inc.

Hesperia Holding Corp. (HHC) was formed in 2002, as a California corporation, and is a holding company for its subsidiary, Hesperia Truss, Inc., formed in 1996 (Hesperia Truss), a prefabricated wood truss manufacturer.

As a result of the "blank check" status of the Company, and the insignificance of the Company's financials, the financial statements discussed below are of HHC. for the three months ending March 31, 2003 and 2002. As a result of: (i) the acquisition of Hesperia Truss by HHC, (ii) the recent incorporation of HHC and (iii) the lack of operations of HHC, the presentation of financial information is primarily of Hesperia Truss, as all operations are being conducted through Hesperia Truss. Hesperia Truss is now a wholly-owned subsidiary of Hesperia Holding, Inc.

Critical Accounting Policies

Management's Discussion and Analysis of Financial Condition and Results of Operations are based upon the consolidated financial statements HHC, which have been prepared in conformity with accounting principles generally accepted in the United States of America.

The preparation of these financial statements requires the appropriate application policies, many of which require HHC to make estimates and assumptions about future events and their impact on amounts reported in its financial statements and related notes. Since future events and their impact cannot be determined with certainty, the actual results will inevitably differ from its estimates. Such differences could be material to the financial statements. Management believes its application of accounting policies, and the estimates inherently required therein, are reasonable. These accounting policies and estimates are constantly reevaluated, and adjustments are made when facts and circumstances dictate a change. HHC's accounting policies are more fully described in Note 1 to the financial statements for the year ended December 31, 2002., which are attached here to as exhibit 99.1.

Off-Balance Sheet Arrangements

Certain Relationships and Related Transactions

Facilities

Hesperia Truss (HTI) occupies a 3,900 square-foot building and warehouse on five acres in Hesperia, California. The building and land are owned by two of our directors and shareholders, Mark Presgraves and Donald Shimp. We rent the facility and surrounding land for \$36,000 per year.

Loans Payable/Receivable

HTI had loans receivable from its officers in the amounts of \$21,064 and \$21,064 as of December 31, 2002 and 2001 respectively.

HTI had outstanding loans payable to its shareholders in the amounts of \$257,225 and \$272,723 as of December 31, 2002 and 2001 respectively. HTI also had interest payable to its shareholders in the amounts of \$128,095 and \$48,535 as of December 31, 2002 and 2001 respectively.

HTI paid interest to a shareholder totaling \$79,560 and \$27,272 for the years ended December 31, 2002 and 2001 respectively.

Corporate Reacquisition of Stock

On June 14, 2000, HTI entered into an Agreement for Corporate Reacquisition of Stock to purchase 1,000 shares of common stock from Donald Keith Jones, one of the co-founders of HTI. As consideration for Mr. Jones' shares and a covenant to not compete with HTI for a period of 4 years, HTI agreed to compensate Mr. Jones with \$480,000, plus pay for automobile insurance coverage for Mr. Jones for the operation of a certain 1999 Ford Taurus for as long as the subsidiary owes money under the Agreement or 3 years, whichever period is less.

At the time of the execution of the Agreement, Mr. Jones had received from HTI \$35,838.58 in cash and a corporate asset (1999 Ford Taurus) valued at \$20,698.95 leaving \$423,463.37 to be paid by HTI over the following 4-year period in the form of a Secured Promissory Note. The shares of common stock purchased by HTI were pledged as security for payments due under the Note. Such payments are payable in weekly installments in the amount of \$2,000, with the first payment being made on June 16, 2000 and the last payment due on June 16, 2004.

If HTI defaults on a weekly payment, Mr. Jones shall have the right, upon five (5) days written notice, to demand immediate payment of the remaining balance due under the Note. The default provisions outlined in the Note would allow Mr. Jones to dispose of all or any part of the collateral security property (the 1,000 shares of common stock) at public or private sale, without advertisement, or notice to HTI. Should HTI default on the Note and Mr. Jones exercise his default remedies as they pertain to the foreclosure or sale of the shares, HTI would no longer be a wholly-owned subsidiary of the Company as their ownership would be reduced to 90%. HTI is current on its payments to Mr. Jones.

Mr. Jones has received \$296,027 pursuant to the terms of this agreement, with a balance due of \$127,436 to be paid through June 16, 2004 at the rate of \$2,000 per week.
